1. Membership Defined

AAA services are for members only. The AAA membership card covers the individual named on the card. AAA Oklahoma provides three levels of membership.

Classic

The Classic Membership entitles members to receive all of the member benefits explained on pages 6 through 12.

Plus

AAA Plus offers members expanded Emergency Road Service and many other AAA services (see page 9-10 for more details). Each household member associated with the Primary member who has AAA Plus must also have AAA Plus. AAA Plus can be added to your membership for an additional cost; there is a 7-day wait period for upgrades to go into effect. Contact AAA Oklahoma at 1-800-222-2582 for rates.

Premier

AAA Premier takes membership to the next level. Extended benefits offer more assistance when traveling in the U.S. or abroad. For detailed information refer to the special section beginning on page 12. Each household member associated with the Primary member who has AAA Premier must also have AAA Premier. AAA Premier can be added to your membership at an additional cost. Call AAA at 1-800-222-2582. There are

two categories within the AAA Membership – Primary or Associate.

Primary Member

The Primary Member is the first person in the household to join AAA. Membership includes emergency road service protection and all other AAA services and benefits. Renewal statements, credentials, publications and most mailings are sent to the Primary Member.

Associate Member

There must be a Primary Member living in the same household to qualify as an Associate Member. A Primary Member can have a maximum of eight Associates on his or her membership. There are no age restrictions.

Membership Renewal

You will receive a membership dues statement before your annual expiration date. Service will continue upon receipt of your renewal dues.

Express Renewal

To ensure that your AAA services are never interrupted, you are encouraged to enroll in Express Renewal. Using your AAA Member Rewards Visa® for Express Renewal will earn you triple rewards points on the renewal. You can also use any other Visa®, MasterCard®, American Express®, Discover® or Diners Club® card to enroll. Once enrolled, your dues will be automatically charged to your credit card approximately 30 days prior to your renewal date. Call 1-877-222-1206 or visit us online at AAA.com to take advantage of this benefit.

Gift Membership

You can give the peace of mind and year-round savings of AAA to a loved one or friend. AAA is the perfect, considerate gift for a birthday, graduation, Christmas, or any other

special occasion. Gift memberships may be purchased by calling toll free at 1-800-AAA-CLUB, online at AAA.com or at any AAA branch nationwide. The membership arrives with a gift card bearing your name.

Note: To protect the membership at large, AAA Oklahoma reserves the right to alter, add, or eliminate present services or dues, and cancel any membership for abuse of services (including use of a membership card by a non-member) at any time without notice. Additional personal identification may be requested when Emergency Road Service or other Club services are requested.

2. Membership Entitlements

Auto Travel

All your travel planning can be accomplished with one toll free call to 1-877-272-2223. Or you may visit your nearest AAA office, or visit us online at AAA.com. Our expert auto travel counselors will make your reservations and even plot your route with AAA's exclusive TripTik® routings. AAA is committed to helping you make all your travel plans smooth and easy. We publish more than 300 million maps, travel guides, TourBook® guides and other publications to help you get where you're going and enjoy yourself once you're there.

TripTik® Routings

For every motor trip you take, AAA Oklahoma can prepare a personalized TripTik® on handy, loose-leaf pages to guide you to your destination. The booklet shows mile-by-mile routing, construction, detours, mileage, highway conditions, points of interest, discount locations and lodging. It's the handiest travel aid you will ever use.

Call us toll free at 1-800-451-7977 to order your TripTik®, or you can create your own personalized TripTik® at AAA.com, with the ability to customize your route and displayed information.

TourBook® Guides and Maps

AAA's Tourbooks® help you find where to stay and where to play, with listings of AAA Approved hotels, motels, resorts, campgrounds and restaurants throughout the United States, Canada and Mexico.

Wherever you go, AAA TourBooks® allow you to travel "first class" on a budget you can afford. When making reservations or when registering, identify yourself as a AAA Member and present your valid membership card to receive available AAA Member discounts.

AAA maintains its own cartographic department that designs and prepares all AAA maps. Our state and regional maps are revised annually. As a AAA Member, you may obtain current maps and TourBooks® free of charge.

Recommended Accommodations and Restaurants

Leave the guesswork out of choosing your travel accommodations by using the AAA approved accommodations listed in AAA's exclusive TourBooks®. AAA inspectors perform an in-person evaluation of each lodging location and restaurant listed in the TourBook®. For every approved establishment, there are many more that do not meet our standards.

Lodgings and restaurants approved in the TourBooks® are eligible for our Official Appointment Program, which permits the display and advertisement of the 'AAA Approved' emblem, so our members can locate them easily.

AAA TourBooks® point out restaurants and lodging locations that offer special features such as wheelchair accessible facilities. Spotting maps are provided for over 60 cities and metropolitan areas to help you locate AAA Approved lodging and restaurants. A "points of interest" index makes it easy to look up specific points by category.

CampBook® Guides

Americans love camping and AAA will guide you to the best camping sites and campgrounds. Your travel counselor will provide you with AAA's exclusive CampBook®

Guides. These informative, richly detailed books give you the current information about AAA approved campgrounds, facilities available, charges for rental hookups, and directions to get you there.

Home & Away® Magazine

Home & Away® is a beautifully illustrated publication with features and articles about places to go, things to do, sights to see in Oklahoma and around the world. You'll discover what's new at AAA Oklahoma and learn great ways to save money through AAA's Show Your Card & Save® member discount program. *Home & Away®* is published for Members 6 times per year.

Travel and Recreation Accident Insurance

Each AAA Oklahoma member is automatically protected by a Travel, Recreation and Pedestrian Accident Insurance policy which is limited coverage against most travel accidents and certain recreational accidents. This coverage increases in value each year for the first four years of your membership at no extra cost. Benefits in the policy are paid directly to the member regardless of any other insurance benefits the member may carry. Please refer to your Certificates of Insurance included in your membership kit for complete details on this policy. An endorsement of this policy called a "Medical Rider" that enhances the benefits of this policy can be added to any Member for an additional charge.

Theft Reward and Hit-and-Run Reward

AAA Oklahoma will pay up to \$1,000 reward for information leading to the arrest and conviction of hit-and-run violators or thieves involving a member's car. For AAA Plus® and AAA Premier® members, our Theft Reward and Hit-and-Run Reward offers up to \$2,000 for this information. Law enforcement officials, the AAA Member, and the AAA Members' family are ineligible to receive the reward.

\$100,000 Travel Accident Insurance

Let us make your travel arrangements and issue your airline tickets and AAA Oklahoma will include \$100,000 Travel Accident Insurance at no additional cost to you.

For AAA Plus® and AAA Premier® members, our Travel Accident Insurance covers members with \$300,000 insurance protection when traveling on a scheduled common carrier, with tickets purchased at AAA Oklahoma offices (includes the automatic \$100,000 coverage).

AAA Travel Money

In order to meet your changing preferences for the type of "money" you carry while traveling and provide you with more choices, AAA Travel Money offers members a variety of products. **American Express Traveler's Cheques** are a secure and convenient way to travel. They are available in single or dual signature cheques, and are fee-free for Members at select AAA branch offices.

If you prefer plastic, then the **Visa Travel Money® Card** is the right option for you. You can make purchases at any merchant that accepts Visa®, and can also withdraw money from your account at any Visa® ATM worldwide. Simply load your desired amount of funds prior to leaving home for your trip abroad.

AAA Foreign Currency Banknotes are the best way to make sure you have local currency in your wallet when you arrive in another country. Members can avoid line hassles, high fees and unfavorable exchange rates typically offered in airports, hotels and foreign banks by purchasing foreign currency before leaving the United States. Local cash on hand

comes in handy for taxis, tips, incidentals and other situations in which plastic may not be accepted.

Simply order any of the 25 available currencies from AAA.com. Your currency will be shipped directly to you within 5 business days. Upon your return, Members can exchange unused foreign currency through our buy back mailer program.

Notary Public Service

Notary Service is available to Members at most AAA Oklahoma offices for free. This is another helpful membership feature to save you time and money.

Check Cashing Service

When you are traveling in the U.S. outside your AAA club territory and an emergency situation arises because your cash in hand is depleted, you may cash your personal check for up to \$100 at the nearest AAA office.

Trip Continuance Service

Your "Trip Continuance" benefit may be used if the motor vehicle used as the primary mode of transportation on your trip is disabled as the result of a collision (not mechanical failure) occurring 50 or more miles from home. You are entitled to one of the following two options, not both:

- (a) *Rental car or taxi, as well as reasonable local meals and lodging, all in the local vicinity where your vehicle is being repaired; or*
- (b) *Transportation to your destination or back home by rental car (drop off charges, fuel and insurance charges not included) or by commercial transportation (airplane, bus or train).*

Reimbursement is limited to unexpected expenses incurred within 72 hours from the time of the collision. Under this benefit, AAA Oklahoma will pay up to \$500 per collision toward the chosen coverage option listed

above. There is a \$1,000 maximum when more than one AAA Member of the same family is involved in a common collision. For AAA Plus® members, the maximum increases to \$2,000 when more than one Member of the same family is involved in a common collision.

You must file a written police report and obtain itemized bills and receipts for your expenses. When you return home, contact AAA Oklahoma for a claim form. Your claim for reimbursement must be filed within 90 days from the date of the mishap. Approved claims will be paid by check directly to the Member. AAA Premier® provides extended trip interruption benefits. See page 14 for complete details.

\$200 Stolen Car Transportation Reimbursement

If your vehicle or the vehicle you are a passenger in is stolen while you are 50 miles or more from your home, AAA will reimburse you up to \$200 per occurrence for commercial transportation expense to return home or continue to your destination. Drop-off, fuel and insurance charges on car rental are not included. The expense must be incurred within 72 hours of the time theft is reported to police. To obtain the reimbursement, you must furnish AAA Oklahoma an original commercial transportation expense receipt, a copy of the original police report, and complete the reimbursement claim form furnished by AAA.

AAA Premier® provides extended Stolen Car benefits; see page 15 for complete details.

\$1,000 Guaranteed Arrest Bond Certificate

In most states, when you are involved in a minor traffic violation, you may surrender your AAA membership card in lieu of going to jail or posting a cash bond up to \$1,000. After surrendering your card, notify AAA Oklahoma as soon as possible. If you

cannot appear in court at the appointed time, arrangements should be made with the court before that appointed time. If you forfeit your bond, AAA Oklahoma will actually pay for the bond forfeiture and then bill you for the exact amount that appears on the court notice. After you have reimbursed AAA Oklahoma, your card will be returned to you. There is no charge for this service.

\$5,000 Bail Bond Protection

As a AAA Member, you have additional bail bond protection up to \$5,000 for traffic violations only. To obtain a bail bond in excess of \$1,000, it is necessary that you contact the nearest AAA office. If you are unable to procure bail by this method, call AAA at 1-800-AAA-CLUB (1-800-222-2582).

Neither bond pays your fine. It is intended to spare you the discomfort of being in jail. You must repay the bond if it is forfeited or used to pay any fine. Local laws may vary slightly regarding the offenses for which the AAA bonds may be accepted. If you encounter any difficulties, immediately contact your nearest AAA Club.

Legal Fees Reimbursement Service

Traffic courts are generally informal. You usually have ample opportunity to tell your story. But if you feel the charge is unfair or improper and wish to contest it in court, you may want an attorney to represent you. AAA Oklahoma will reimburse you up to \$500 for legal fees in your defense for moving violations.

Please remember: neither bonding service nor legal fees reimbursement service applies for charges of driving while under the influence of intoxicating liquors, drugs, or narcotics, failure to appear on prior traffic violations or driving on a suspended or revoked driver's license, hit-and-run, failure to present evidence of insurance, illegal use or falsification of license or registration, attempt to elude or eluding a police officer, engaging in a felony, or while driving a vehicle used for

commercial purposes.

3. Emergency Road Service

With a network of over 30,000 independently

contracted emergency service vehicles across the United States and Canada, you'll feel better knowing AAA is there to help you when you need emergency roadside assistance. You can call for service whether you're the driver or passenger of your own car, a friend's car or a rental.

For Emergency Road Service (ERS) anywhere in the U.S. call 1-800-AAA-HELP (1-800-222-4357). ERS is available 24 hours a day, 365 days a year, throughout the United States. AAA will assist you in an emergency whenever the vehicle you are driving or riding in becomes disabled. Your coverage includes all emergency and towing services listed in the handbook.

To assure faster service when you call for Emergency Road Service, please be prepared with the following information:

- Membership number
- Vehicle year, make, model and color
- Location of vehicle (street address if available)
- Nature of trouble (flat tire, in ditch, etc.)
- Phone number where you can be reached

Eligible Vehicles

Service applies to all properly licensed four-wheeled motor driven vehicles of the pleasure or recreational type (automobiles, vans, sport utility vehicles and pick-up trucks), if these services can be safely delivered with ordinary automobile servicing equipment including wheel lift devices, car carriers

(flatbed), and dolly wheels. Commercial vehicles and rented passenger vehicles are also eligible for services with the exception of limousines. Loaded or altered vehicles may not be covered. Service will not be provided to a vehicle that is abandoned, non-licensed, to be traded, sold or salvaged.

AAA Plus® and AAA Premier® extends your Classic coverage to include motor homes, recreational vehicles, motorcycles and unloaded one ton dual-wheel pick-up trucks. In instances when your vehicle becomes disabled while towing a light duty or boat trailer, service will be provided for the trailer if it can be towed in tandem with the vehicle. You may be required to pay for trailer towing.

Please note: arrangements will be made to tow campers and travel trailers when the vehicle pulling them becomes disabled.

Emergency Services

The following emergency services will be provided to enable you to drive the vehicle you are traveling in. If these attempts are unsuccessful after a reasonable effort by the service provider, the towing provision will apply.

1. Mechanical Adjustments: *Minor adjustments will be made in an attempt to enable your vehicle to operate safely under its own power.*

2. Battery Boost: *A battery boost will be provided in an attempt to start your vehicle.*

3. Flat Tire: *If your vehicle's spare tire is inflated and serviceable, it will be installed to replace a flat tire. If no inflated spare is available, the vehicle will be towed in accordance with the towing provision.*

4. Gasoline Delivery: *A limited supply of gasoline will be delivered to your disabled vehicle to enable you to reach the nearest open service station. Specific brands or octane ratings cannot be promised. You will be charged current pump price for the*

gasoline. Please Note: Due to additional services needed, diesel powered vehicles will be towed.

AAA Plus® and AAA Premier®: extends your Classic coverage to include delivery of a limited supply of gasoline at no cost to the Member to the scene of disablement that will enable the vehicle to reach the nearest gasoline supply.

5. Lockout Service: If your keys are locked inside the vehicle, service will be sent to gain entrance. If the vehicle ignition key is lost, broken or the service provider cannot gain entry, AAA Oklahoma shall provide a locksmith service up to \$50 or reimbursement of a commercial locksmith service up to \$50. If necessary, AAA Oklahoma will provide tow service in accordance with the towing provision.

AAA Plus® and AAA Premier®: extends your Classic coverage to provide locksmith service up to \$100 or reimbursement up to \$100 in parts and labor.

6. Extricating/Winching: Your vehicle will be extricated and/or winched when it can be safely reached from a normally traveled or established road or thoroughfare. If special equipment, additional manpower or vehicles are required, the associated costs may be at your expense.

AAA Plus® and AAA Premier®: extends your Classic coverage to provide, if necessary, a second service vehicle and personnel for one hour.

7. Towing Services: When your vehicle cannot be safely driven after attempting any of the listed emergency services, your vehicle will be towed to the ERS facility rendering the

service if the repairs can be made there or a maximum of five miles. Additional mileage is to be paid by you at the time of service. In instances when your vehicle becomes disabled while pulling a trailer, you may be required to pay for trailer towing. Please Note: For trailer coverage see AAA Plus® coverage under eligible vehicles section.

AAA Plus®: extends your Classic coverage to include up to 100 miles of towing per breakdown, to a destination of your choice.

AAA Premier®: extends one of the four service calls per membership year to include up to 200 miles of towing to the destination of your choice. The remaining 3 service calls are eligible for up to 100 miles of towing each.

Scope of Service

Under your membership, Emergency Road Service will be provided without charge from the nearest available AAA contract facility. Your service call will include a trip to the disabled vehicle and a reasonable amount of time at the scene to make your vehicle operable. We select Emergency Road Service facilities for their ability to handle service calls, but we cannot guarantee that these facilities will always have the parts and equipment to make repairs. When your vehicle cannot be made operable upon providing the services listed in this AAA Membership Handbook, AAA Oklahoma will assist you in finding the nearest open place of repair. If a repair facility cannot be located, AAA Oklahoma will assist you in obtaining lodging or alternative transportation at your expense. Charges for services that exceed the benefits listed will be at the prevailing hourly or mileage rate of the region where service is provided.

For your protection, service cannot be provided to an unattended vehicle. In extenuating circumstances, an exception may be made if prior arrangements have been made with AAA Oklahoma. During severe weather conditions, civil disturbances

or national emergencies, service may be temporarily suspended.

Please Note: In most areas Emergency Road Service facilities are independent businesses. Their employees are not employees of AAA Oklahoma or its affiliates. Responsibility for loss, damage or unsatisfactory workmanship remains with the ERS facility providing the service.

Alternate Service

If you have followed the procedures to obtain Emergency Road Service and AAA service is not available, you may obtain your own service, pay for it, and submit the original receipt to AAA Oklahoma within 60 days for reimbursement.

Reimbursement will be based on the prevailed commercial rate for the region where the vehicle was disabled. In instances when AAA contractor access is legally restricted (toll roads, limited access highways), reimbursement will be provided. At a minimum, AAA Oklahoma will reimburse Members the AAA Oklahoma contract network rate when AAA service was available but not requested.

Excessive Use

In fairness to all members, Emergency Road Service is not to be used as a substitute for proper vehicle maintenance. The Club will not provide unlimited service calls and you can be non-renewed or canceled for excessive use of services.

Maximum Service Call Benefit

Each member will be allowed four service calls per membership year.

Emergency Repair Check Acceptance

Your personal check for up to \$250 will be accepted by any independent contract facility providing emergency service or repairs for AAA Members. A valid membership card must be presented at the time of payment.

The name on the check must match the Member's name.

Approved Auto Repair

AAA takes the scare out of auto repair by investigating which auto service providers in Oklahoma you can trust. Then we stand behind you in your dealings with these shops if you should have a problem.

Whether you choose to visit an Approved Auto Repair (AAR) facility for routine work, or ask to be towed to one when your car breaks down, we guarantee you will be treated right.

AAA Members receive written estimates, limited repair warranties of 12 months or 12,000 miles, replaced parts returned and the secure knowledge that AAA will resolve any dispute between you and an AAR facility.

4. AAA Premier®

AAA Premier® Members now have access to AAA's enhanced package of value-added Member benefits. As you know, from Show Your Card & Save® discounts to Emergency Road Service, all of your AAA Oklahoma Membership benefits can save you time and money – and give you added peace of mind whether you are at home or on the road.

You are eligible to receive AAA Premier® benefits as soon as you receive your new Premier® Membership card(s) or seven days after receipt of payment, whichever is earlier. AAA Premier® benefits, dues, fees and services are subject to change without notice.

Emergency Road Service

As detailed earlier, Emergency Road Service can help you with a flat tire, a dead battery, a vehicle lockout, emergency fuel delivery,

extrication/winch or a tow. Each AAA Oklahoma Member is entitled to up to four Roadside Assistance calls per membership year at no charge.* And, with AAA Premier® each member can be towed up to 200 driving miles from the point of breakdown, as one of the four allowable service calls per membership year, and up to 100 driving miles from the point of breakdown on the remaining allowable service calls.**

We'll even deliver a sufficient amount of fuel at no cost to you, if available, to enable you to reach the nearest service station. Please note: due to additional services needed, diesel powered vehicles will be towed.

If the service provider cannot get you into your car when your keys are locked inside the passenger compartment, we will arrange for assistance from a locksmith at our expense, up to \$100. If the services of a locksmith are required for an automotive emergency other than a lockout, you're covered up to \$100 per call.

*Some conditions apply. Additional calls are subject to service charge. Service may be provided by independent businesses.

**AAA Premier® Emergency Road Service is subject to the conditions in this Membership Handbook. AAA Emergency Road Service may not be used for commercial purposes or as a substitute for regular maintenance necessary to keep a vehicle in good operating condition.
